IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: Hidetoshi ITO et al.
Title: EXHAUST EMISSION CONTROL DEVICE
Appl. No.: 09/941,733
Filing Date: 08/30/2001
Examiner: Hien Thi Tran
Art Unit: 1764

INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR §1.56

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Submitted herewith on Form PTO/SB/08 is a listing of a document known to Applicants in order to comply with Applicants' duty of disclosure pursuant to 37 CFR §1.56.

A copy of each non-U.S. patent document and each non-patent document is being submitted to comply with the provisions of 37 CFR §1.97 and §1.98.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

TIMING OF THE DISCLOSURE

The listed documents are being submitted in compliance with 37 CFR §1.97(b), before the mailing date of the first Office Action after the filing of a request for continued examination under §1.114.

RELEVANCE OF EACH DOCUMENT

Document A2 discloses an exhaust emission control device.

An English translation of the foreign-language document is not readily available. However, an English language abstract is provided herewith, and a corresponding U.S. application claiming priority based on Document A2 was published in 2003 as Document A1. Consequently, the foreign language document has been submitted in compliance with the PTO requirements and, therefore, the document should be considered by the Examiner (37 CFR §1.97, §1.98 and MPEP §609).

Upon reviewing the present application following receipt of the Notice of Allowance, it was noted that Document A2 is mentioned in JP 9-228828, which is cited on page 1 of the present application and which was submitted with Applicant's IDS filed August 30, 2001. It was also noted that Examiner Tran is handling a U.S. application corresponding to Document A2. Thus, it is believed that Examiner Tran is likely aware of Document A2 and of the effective date of its disclosed subject matter. However, because the record is not fully developed with regard to these facts, Applicant deemed it appropriate to file an RCE in order to make the record clear. Applicant regrets the oversight of not clarifying this matter at a date prior to the first Office Action allowance in this application.

Applicants respectfully request that any listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 CFR §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741.

Respectfully submitted,

Date IAN 0 4 2005
